34	74	14.75	Z+4	23.55
35	75	15	Z+4 ½	23.87
36	76	15.5	Z+5 ½	24.19

DECEM product pages use Italian ring sizes. International conversions are approximate: start with a size checked using a ring sizer or by a jeweller.

THIS CHART CONVERTS A SIZE: IT DOES NOT MEASURE YOUR FINGER.

String, paper and measuring tape can lead to an error of one or more sizes. Adjacent Italian sizes differ by only about 0.3 mm in inner diameter. The width of the ring also affects its fit.

The cells are not to scale: do not place a ring on this sheet to measure it.
